In the Matter of:

THE NOTICE OF PURCHASED)
GAS ADJUSTMENT FILING OF) CASE NO. 8678-R
WESTERN LEWIS-RECTORVILLE)
WATER AND GAS DISTRICT)

O R D E R

On March 1, 1983, the Commission issued its Order in Case No. 8678 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On April 16, 1985, Western Lewis-Rectorville Water and Gas District ("Western Lewis") notified the Commission that its wholesale cost of gas would be decreased by its supplier Columbia Gas Transmission Corporation ("Transmission") effective April 1, 1985, and submitted with its notice certain information in compliance with its purchased gas adjustment clause on file with this Commission. By letter dated May 10, 1985, the Commission delayed action in this case pending a decision by the Federal Energy Regulatory Commission ("FERC").

After reviewing the record in this case and being advised, the Commission is of the opinion and finds that:

(1) Western Lewis' notice of April 16, 1985, set out certain revisions in rates which Western Lewis proposed to place

into effect, said rates being designed to pass on the wholesale decrease in gas cost in the amount of \$27,681 or 46.81 cents per Dth.

(2) On April 4, 1985, Transmission filed a Stipulation Agreement of Docket No. TA-82-1-21,001, et al, with the FERC. The filing contained rates to be effective April 1, 1985. On June 14, 1985, the FERC approved the negotiated settlement in this docket.

(3) Due to the retroactive nature of Transmission's decrease, Western Lewis should report to the Commission any excess revenues collected during the period from April 1, 1985, to the date the proposed rates are implemented, along with a plan to refund any excess collections to its customers.

(4) Western Lewis' adjustment in rates under the purchased gas adjustment provisions approved by the Commission in its Order in Case No. 8678 dated March 1, 1983, is fair, just and reasonable and in the public interest and should be effective with gas supplied on and after April 1, 1985.

IT IS THEREFORE ORDERED that the rates in the Appendix to this Order be and they hereby are authorized effective with gas supplied on and after April 1, 1985.

IT IS FURTHER ORDERED that as soon as the information is available Western Lewis shall report to the Commission any excess revenues collected during the period from April 1, 1985, to the date the proposed rates are implemented, along with a plan to refund any excess collections to its customers.

IT IS FURTHER ORDERED that within 30 days of the date of this Order Western Lewis shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 11th day of July, 1985.
